

PN to RN Transition, A.A.S.

The LPN to RN bridge program provides those licensed practical nurses wanting to become registered nurses the opportunity to do so. Admission to the program is based on academic criteria.

All licensed practical nurses making application must have completed required general education courses before being accepted.

Following successful completion of the summer transition courses, students are admitted to the third semester of the program. At least 10 openings are available each year. Successful completion of the third and fourth semesters of the program allows the graduate to apply to take the national licensing examination for RNs. The application deadline is Jan. 15.

This program requires a professional liability insurance fee. Students will be notified via their JCCC student e-mail account if they are required to pay a \$16 fee. The dollar amount for fees is subject to change.

Note: LPN to RN Transition Students must successfully complete NURS 136 and NURS 228 and NURS 230 before advanced standing credits for NURS 124 and NURS 126 will be granted.

(Major Code 235A; State CIP Code 51.1601)

- Nursing (<http://www.jccc.edu/nursing>)

Associate of Applied Science Degree

Prerequisite: Prior to enrolling in NURS 228 and NURS 230

MATH 116	Intermediate Algebra* (or higher)	3
