Associate of Applied Science

The associate of applied science degree from JCCC

FL 221

- is designed with an emphasis in a specific career program.
- requires completion of a minimum of 64 college-level credit hours within specified course distribution areas, including emphasis of study, with a 2.0 GPA.

The credit hours necessary to complete the associate of applied science degree include 16 credits of general education requirements plus the courses listed for the specific career program. At a minimum, the distribution must include:

General Education Area		Credit Hours
Communications Associate of Applie	ed Science	3
These courses fulfill the communicat of all requirements. Communications	tions requirements for the Associate of Applied Science (AAS) degree. Please refer to your specific degree	for a list
ENGL 121	Composition I*	3
If your specific degree program requ	ires a communications elective, choose three hours from the following:	
ENGL 122	Composition II*	3
ENGL 123	Technical Writing I*	3
ENGL 140	Writing for Interactive Media*	3
BUS 150	Business Communications*	3
SPD 120	Interpersonal Communication	3
SPD 121	Public Speaking	3
SPD 125	Personal Communication	
SPD 180	Intercultural Communication	3
