Biotechnology, AAS

The greater Kansas City area and specifically Johnson County have numerous biological-, pharmaceutical- and chemical-related formulating, manufacturing, research and testing companies. Many of these facilities employ scientific technicians to support the endeavors of their professional scientists and engineers.

JCCC's science technology program is designed to develop scientific support personnel for the metropolitan area.

This program offers specific knowledge and training designed to provide you with entry-level skills for employment as a technician. It also provides the breadth of background sufficient to encourage change and flexibility.

The biotechnology associate of applied science degree program will prepare students to work in biotechnology laboratories associated with universities, medical centers, private research institutions, and a variety of industrial applications. Upon completion of this 64 hour degree, students will be able to find entry-level or higher positions in diverse fields of biotechnology. Along with basic and more advanced science courses, students will take specialized courses such as laboratory safety and biotechnology methods.

(Major Code 2110; State CIP Code 41.0101)

Associate of Applied Science Degree

First Semester

ENGL 121	Composition I*	3
MATH 130	Technical Mathematics I* (or higher)	3
BIOL 135	Principles of Cell and Molecular Biology	4
CHEM 122	Principles of Chemistry*	5
Total Hours		15
Total Hours Second Semester		15
	Introduction to Biotechnology*	15

Total Hours		16
ENGL 123	Technical Writing I*	3
PHYS 133	Applied Physics*	5

Third Semester

BIOL 144

Total Hours		18
Social Science/Economics Elective ^		3
CHEM 140	Principles of Organic Biological Chemistry*	5
BIOL 205	General Genetics*	4
BIOL 145	Human Anatomy and Physiology Dissection*	1
BIOT 230	Microbiology for Biotechnology*	5

See all AAS general education electives (http://catalog.jccc.edu/degreerequirements/associate-applied-science)

Human Anatomy and Physiology*

Fourth Semester

Total Hours	15	
Humanities Elective [^]	3	
BIOT 265	Biotechnology Internship*	4
CIS 124	Introduction to Computer Concepts and Applications	3
BIOT 260	Biotechnology Methods*	5

See all AAS general education electives (http://catalog.jccc.edu/degreerequirements/associate-applied-science)

Total Program Hours: 64
