

Degree Requirements

JCCC offers four general education degrees. Each degree type has specific courses required to fulfill the requirements for earning the degree.

- Associate of Arts (<http://catalog.jccc.edu/degreerequirements/associate-arts>)
- Associate of Science (<http://catalog.jccc.edu/degreerequirements/associate-science>)
- Associate of Applied Science (<http://catalog.jccc.edu/degreerequirements/associate-applied-science>)
- Associate of General Studies (<http://catalog.jccc.edu/degreerequirements/associate-general-studies>)

Students in all degree and certificate programs must also meet the standard JCCC Graduation Requirements (<http://www.jccc.edu/student-resources/graduation/requirements.html>). For information on how to participate in the JCCC graduation ceremony, please see Commencement (<http://www.jccc.edu/student-resources/graduation/commencement.html>).
