

Cosmetology, AAS

Students desiring to seek employment in management in the salon industry will benefit from the additional education gained by achieving this degree. This degree may be earned only by a student who has completed the JCCC cosmetology certificate program. A student must complete 15 additional required credits within five years after completing the aforementioned certificate in order to receive a degree from Johnson County Community College. Students must also meet JCCC admissions, residency and graduation requirements.

Interested students should contact the JCCC Student Success Center for further information prior to enrollment in the sequence of courses.
