## **Associate of Arts**

The associate of arts degree from JCCC:

- is designed for students who plan to transfer to another college or university to earn a bachelors degree.
- requires a minimum of 60 college-level credit hours within specified categories with a 2.0 or higher GPA.
- requires the completion of a cultural diversity course from a list of approved courses. Some of the courses in this list will also meet humanities, social science or non-lab science requirements for this degree.

The total program hours necessary to complete the associate of arts degree include 30 credit hours of general education requirements plus a minimum of 30 additional credit hours of electives. Please refer to your specific degree for a list of all requirements.

## 6 Associate of Arts

Note: The associate of arts is designed as a transfer degree. Students should refer to the transfer information (https://www.jccc.edu/student-resources/transfer/) available in the Student Success Center when selecting electives. Students interested in a specific major should talk with a JCCC counselor (https://www.jccc.edu/student-resources/counseling/academic-counseling/).
