

# Medical Office Specialist Certificate

---

This certificate program prepares students for medical office positions in hospitals, clinics, and physician offices. Emphasis is on learning medical terminology and working with electronic health records as well as developing communication, decision-making, problem-solving skills; and the use of current web tools and software application programs. The program provides training for students in entry-level positions as well as for those who are upgrading existing skills.

(Major Code 5310; CIP Code 51.0710)
