

# Esthetics Certificate

---

Theory and skill development in sanitation, skin sciences, and skin treatments, including body treatments, waxing, makeup, advanced skin therapies, microdermabrasion, and business practices are offered. Upon completion of this program, students are prepared for the Kansas State Board of Cosmetology for Estheticians licensure written and practical exams.

**JCCC is not currently accepting applications to this program.**

(Major Code 3080; CIP Code 12.0409)
