

Title IX - Report Sexual Harassment/Misconduct

Students and/or employees will be made aware of, in writing, the existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for victims, both within the institution and the community. If applicable, further information about assistance available with academic, living, transportation, working situations and protective measures can be discussed.

Read more about JCCC and Title IX (<https://www.jccc.edu/student-resources/police-safety/known/report-sexual-misconduct.html>)

If you need to discuss or file a complaint about student sexual misconduct, please contact the following individuals.
