

## Degrees and Certificates

---

Degrees and certificates are listed under their program discipline in alphabetical order.

At Johnson County Community College, we're committed to helping you chart a clear and personalized path toward your academic goals. **Degree Maps** and the Systemwide General Education (SGE) (<https://www.jccc.edu/student-resources/transfer/kbor-systemwide-general-education.html>) framework—also known as the Seven Bucket Framework—promote consistency and ease of credit transfer across Kansas public institutions. Completion of all seven buckets fulfills the SGE requirements, ensuring that students can transfer credits seamlessly across Kansas Board of Regents (KBOR) institutions without needing to retake equivalent courses.

Every degree and certificate includes a **Degree Map**, a detailed, semester-by-semester guide designed to keep your studies moving forward. They are designed to support students, advisors, and families in making informed decisions when creating class schedules. However, they are not a substitute for academic advising. We strongly encourage students to consult their academic counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) to ensure they are on track to meet graduation requirements within their intended timeframe.

To change your degree intent, submit the Degree Intent Change form (<https://dynamicforms.ngwebsolutions.com/casAuthentication.ashx?InstID=5ee6d92f-a2f6-4905-a331-db745c6c1353&targetUrl=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fsubmit%2fStart%2f44c4e52c-6b4a-4874-9e69-6864f019757b>) to the Student Success Center.
