

Associate of Fine Arts, AFA

An Associate of Fine Arts degree provides students with a broad range of courses that can be transferred to degree programs at a four-year college or university. This degree provides students with exposure to many different subjects and perspectives including art, art history, animation, computer design, film and media studies, music, photography, and theater. It requires a minimum of 60 college-level credit hours, with a minimum of 34 hours of Systemwide General Education (SGE) (<https://www.jccc.edu/student-resources/transfer/kbor-systemwide-general-education.html>) requirements and 26 hours of electives. Many students choose to earn an Associate of Fine Arts degree before transferring to a four-year college or university. (See *sample degree program/degree map*.)

Important: Students graduating with an associate of arts degree must complete an **approved cultural diversity** course. Some of the approved courses can meet both the cultural diversity requirement and a general education requirement. A list of **approved cultural diversity courses** can be found with the list of AFA degree requirements (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-fine-arts/>).
