

Kitchen & Bath Design Certificate

Kitchen & Bath Design Certificate prepares graduates for careers in kitchen and bath design. Graduates are qualified to take the Associate Kitchen and Bath Design, AKBD, certification exam. The JCCC Interior Design Program provides relevant curriculum with experiential learning that emphasizes the student's ability to think creatively, critically, and collaboratively in preparation of entering professional employment. Theory and application dovetail in the classroom and community, providing exposure to business and industry standards, professional practices, and progressive design opportunities through cultivated industry relationships. Two required internships help develop technical, creative and business skills. JCCC's interior design program is recognized by the National Kitchen and Bath Association as an NKBA Affiliated program.

Note: Coursework for the Interior Design programs require a "C" or higher for continuous enrollment and to be awarded degree completion.
