Transfer degrees may offer students the opportunity to complete 2-years of a 4-year degree and transfer to another college or university.

The credit catalog covers academic year 2025-26, which includes summer 2025, fall 2025, and spring 2026 semesters. While every effort is made to ensure the accuracy of the information in this catalog, Johnson County Community College has the right to make changes at any time without prior notice. This catalog is not a contract between Johnson County Community College and current or prospective students. Updates and corrections may be made occasionally to the online catalog; in the event of a discrepancy between a printed copy of the catalog and the online catalog, the online catalog will be considered the catalog of record.

Johnson County Community College welcomes students who plan to continue their education beyond JCCC.
