Program Description

Avila University's Accelerated Bachelor of Science in Nursing (<https://nursing.avila.edu/programs/absn-degree-program-at-avila/>) (ABSBN) program consists of 58 credits of coursework, including 60 hours of skills lab and 585 hours of supervised clinical practicum and simulation experiences in our state-of-the-art facilities. This program's accelerated BSN courses equips students to pursue initial licensure as a generalist registered nurse (RN).

The ABSN is a four-semester program for students with 60 or more prior college credits, an associate degree, or a bachelor's degree in a field other than nursing. It can be completed in as few as 16 months. It blends direct teaching, active learning in laboratories, and supervised clinical experiences.

Admission Requirements

Full Admission to Avila Nursing
