## Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/archives/2025-26/degree-requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

**The School of Professional and Graduate Studies offer curricula leading to a degree of Bachelor of Business Administration. This program is an undergraduate sequence of courses designed for working professionals. The core sequence provides students with knowledge and skills in management, leadership, finance, accounting, marketing, technology, economics, and project planning. In addition to the foundational and core coursework, students select a major in one of the following areas: Organizational Management, Project Management, Sport Management, Human Resources or Marketing. Through this sequence of courses, students develop critical thinking, problem solving, and written and oral communications skills, as well as leadership and teamwork skills. In support of the University's mission, the program encourages the development of responsible, ethical, and socially committed graduates.**

## Admission Requirements

The Bachelor of Business Administration degree requires the completion of 120 credit hours.

1. Official transcripts for all college work completed.
2. An on-line application.

Students must meet the following requirements to earn a Bachelor of Business Administration degree:

- Successful completion of at least 120 credit hours (Residency requirements: A minimum of 30 hours of upper-level course work [numbered 300 or higher] must be taken at Baker University.)
- Cumulative GPA of at least 2.0
- Successful completion of a major area of concentration with a GPA of at least 2.0.
- Satisfaction of all general education requirements. Typically, an earned Associate of Arts or Associate of Science from a regionally accredited institution will satisfy the requirement.
- Satisfaction of all proficiency requirements.
- Submission of Intent to Graduate with the Office of the Registrar six months before anticipated degree completion
- Payment of all tuition and fees
- Approval by the faculty and Board of Trustees

The request to transfer-in coursework must be made in writing **prior** to beginning the bachelor's program. Course equivalencies considered for transfer are determined by the Registrar's Office in consultation with the appropriate faculty and/or chair.

*It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate information about the program, you must meet with an advisor at the transfer institution.*
