Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

- The College of Business Administration offers majors on campus in Accounting, Entrepreneurship and Innovation, Finance, Management, Marketing, Management Information Systems, Operations and Supply Chain Management and Professional Strategic Selling. - A minimum of 120 credit hours are required for an undergraduate bachelor's degree in the College of Business.
- The KSU College of Business Administration has adopted a Business Administration Pre-Professions (BAPP) designation for all entering students. Completion of 45 credit hours (both transfer and K-State hours) in this program with a K-State GPA of at least 2.5 is required before the student will be admitted into one of the degree tracks (majors).
- Transfer students (those coming to K-State who have earned any credit hours since high school graduation) must have a 2.5 transfer GPA to be admitted to the College of Business. Transfer students must achieve a K-State GPA of 2.5 or higher on the first 15 or more hours of K-State course work to be able to continue in the College of Business and enter into a degree track. (Transfer coursework to KSU College of Business Administration carrying a grade of "D" will not be accepted toward a student's business degree requirements.)
- Transfer students with more than 60 hours MUST declare a major after their first 15 hours at K-State.
- No more than seventy-five hours may be transferred as credit from a community college.
- Students transferring to KSU, that complete the General Education requirements required for the Associate of Arts (AA) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>), Associate of Fine Arts (AFA) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-fine-arts/>) or Associate of Science (AS) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-science/>) degree from JCCC will be considered to have satisfied KSU's core general education curriculum.
- Students who transfer to KSU, without completing the General Education requirements required for the Associate of Arts (AA) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>), Associate of Fine Arts (AFA) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-fine-arts/>) or Associate of Science (AS) (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-science/>) degree will have courses evaluated on a course-by-course basis toward meeting KSU requirements. It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate information about the program, you must meet with an advisor at the transfer institution.
