KU Core 34 General Education Requirements	registrar@ku.edu
Academic Year 2025-2026	registrar.ku.edu

In the 2024-25 academic year, The Kansas Board of Regents (KBOR) approved the Systemwide General Education Framework. It is comprised of 34-35 credit hours organized in six discipline-based “buckets” and an institutionally designed bucket. A student who satisfies all seven buckets will complete the systemwide GE program.

Please note this framework applies to the completion of General Education requirements required for the Associate of Arts (AA) (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-arts/>), Associate of Fine Arts (AFA) (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-fine-arts/>), and Associate of Science (AS) (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-science/>) degrees only. Students that have not completed the General Education requirements for the AA, AFA, or AS, will have coursework reviewed on a course-by-course basis.

The Associate of Applied Science (AAS) (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-applied-science/>) degree and the Associate of General Studies (AGS) (<https://catalog.jccc.edu/archives/2025-26/degreerequirements/associate-general-studies/>) degree do not apply to the KBOR Systemwide General Education Framework. Please see your JCCC Counselor if you are pursuing the AAS or AGS degree.

The KU Core 34 is typically completed during the first two years of study. Courses required for a degree program may simultaneously satisfy a KU Core 34 requirement. A KU Core 34 credit can be earned through a single approved course and/or a pre-approved educational experience.

^Students are encouraged to complete a 3-credit hour social responsibility/ethics course as part of their Arts & Humanities 6-hour requirement.

These courses are designated with a caret (^) in the Arts & Humanities course list below.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate information about the program, you must meet with an advisor at the transfer institution.
