#### Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

## Admission Requirements

- The secondary English education program prepares individuals to become teachers in 6-12th grade classrooms through rigorous content and field experiences.
- Students can be admitted into teacher education programs as transfer students if they are admitted to KU, declare a teacher education program as their major, and meet the following criteria:
  - A KU + Transfer Cumulative GPA of at least 2.75
- Students must meet requirements to begin and progress through professional coursework blocks. Visit Transition Points #1-#4 for more information. (<https://catalog.ku.edu/education/curriculum-teaching/bse-secondary-education/#degreerequirementstext>)
- A maximum of 75 hours may be transferred to KU from community colleges. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree; 30 of those hours must be at KU; and community college courses do not transfer as junior/senior hours.
- A grade lower than a "C-" is not acceptable in any teacher education course. Some programs may have additional minimum grade point requirements for specific classes.
- For History & Government, and English: A 2.5 minimum grade-point average in content area courses.
- Only 6 hours of Credit/No Credit is allowed for general education courses. A student cannot take a class Credit/No Credit for any major requirement.
- Minimum total hours for graduation is 120.
