Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

Admissions Requirements

- Step One: Admission to the University of Kansas – Students are directly admitted to the School of Social Welfare as new freshman and transfer students. Incoming students must first apply (<https://admissions.ku.edu/>) for admission to the University of Kansas. Students must submit official college transcripts from all colleges and universities previously attended. Transfer students must have a 2.5 cumulative GPA and at least 24 transferable credit hours. Being admitted does not guarantee permission to enroll in social welfare courses. Students must complete the Advancement Review before being able to take 500-level coursework. For scholarship consideration, apply to KU by May 1st prior to the summer/fall semester or December 1st prior to the spring semester you plan to transfer to KU.
- Step Two: Advancement Requirements - For students to advance into 500 and 600 level Social Welfare coursework, they must complete the following:
 - 54 hours of General Education requirements or elective hours
 - Minimum cumulative GPA of 2.0.
 - Earned grade of "B" or higher in SW 220.
 - Submitted signed electronic copy of School of Social Welfare Standards and Advancement Policies and Procedures, NASW Code of Ethics, and the KU Code of Student Rights and Responsibilities.

If all the above criteria are met, students are successfully advanced into 500 level coursework.

Note: Students must complete all general education requirements including electives prior to the start of 600 level course work and practicum.
