Program Description

All MNU students must complete general education courses however, completing an Associate of Arts (A.A.) degree or the Associate of Science (A.S.) degree at JCCC will satisfy all the general education requirements at MNU, except the Faith Integration requirement. JCCC students transferring to MNU without completing the A.A. or A.S. will have transfer courses evaluated on a course-by-course basis. Therefore, it is recommended that students complete either the AA or the AS before transferring. The JCCC A.A. degree (<https://catalog.jccc.edu/archives/2025-26/degree requirements/associate-arts/>) and the JCCC A.S. degree (<https://catalog.jccc.edu/archives/2025-26/degree requirements/associate-science/>) each require completion of 60 credit hours, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

Admission Requirements:
