Program Description

The Associate of Arts (<https://catalog.jccc.edu/archives/2025-26/degree requirements/associate-arts/>), AA (<https://catalog.jccc.edu/archives/2025-26/degree requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

Admission Requirement

Admission Requirements for New Transfers

To qualify for admission, a transfer student must have a minimum cumulative college grade point average of a 2.0 on a 4.0 scale. Students with less than 24 college credits will be required to submit additional information including a final high school transcript, General Education Diploma (GED) or high school equivalency diploma and ACT scores before they are considered for admission.

If a student does not meet any of the requirements above, the admission application will be reviewed individually before an admission decision is made.

New Transfer Student Application Procedure

1. Complete the Undergraduate Application (<http://www.pittstate.edu/>) for Admission.
2. Request that official transcripts from all previously attended institutions be sent directly to Pittsburg State University. Acknowledging your attendance at an institution is mandatory, regardless of your wishes to transfer the credit. Failure to disclose attendance at an institution may disqualify your admission application. Official transcripts received for evaluation of transfer credit will be considered to be a complete academic record from that institution up to and including the last completed semester as listed on the transcript. Subsequent official transcript/transcripts from the same institution showing additional previously completed work will not be accepted. Please note for federal financial aid requirements, once your courses are assessed by our Registrar's Office, transferable hours totaling less than 60 requires that a final high school transcript or a copy of your current high school equivalency diploma be on file in the Office of Admission prior to any aid disbursement.
3. Apply for federal financial aid by completing the Free Application for Federal Student Aid (FAFSA (<http://www.fafsa.gov/>)). Pittsburg State University's Title IV code is **001926**.
4. Complete the Pittsburg State University scholarship application (<https://www.pittstate.edu/admission/scholarships-financial-assistance.html>) by February 1st for first consideration.
