

Transfer Information by School

Transfer guides serve as a way for JCCC and the transfer institution to communicate transfer information each academic cycle. Transfer guides are not degree maps.

If you plan to transfer your JCCC credits to another college or university, transfer guides can help ensure you're able to do that efficiently. Best next step: meet with one of JCCC's academic counselors early to plan for your transfer.

- Talk to a JCCC Counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) about which JCCC classes you should take.
- Talk to the four-year school's Admissions Representative to find out when and how to apply to the college you're interested in.
- Talk to the four-year school's Advisor about which classes to take to align with your educational goals.
- Select the school you're interested in to find out more.
