Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/archives/2025-26/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

The Bachelor of Science degree with a major in Business, also requires that students must choose one area of emphasis: Economics, Finance, Management, Marketing and Sports Management at William Jewell College.

A minimum of 124 credit hours are required for the BS in Business at William Jewell College. The maximum amount of credit toward the 124 credit hours required for the BS degree that a student may apply in one subject matter field is 60 hours and a student must have 64 hours outside the one subject matter field that can be counted toward graduation. The William Jewell College residency requirement is 45 hours, the last 30 hours must be taken at William Jewell College and 16 hours (with a grade of "C-" or better) in any major.

Please note: the major in Business with an emphasis in Management at William Jewell College has a fully online option for approved transfer students who have completed an associate degree, who have been admitted specifically for the online program and who have completed work previously that can be used to meet certain requirements of the major and of the core curriculum.

To be considered for admission, student must present a cumulative GPA of 2.5 (on a 4.0 scale) for all college-level coursework completed at any/all properly accredited post-secondary institutions.

Admission Requirements

Application Procedure for Transfer Admission: Candidates for transfer admission are required to submit the following:

1. A completed Application (<http://www.jewell.edu/apply/>) for Admission and Scholarship.
2. Official copies of transcripts from each college at which the student was enrolled in courses, attended classes or received financial aid, even if credit was not awarded.
3. If fewer than 12 total credit hours from properly accredited institutions have been earned since finishing high school, applicants must supply the College with an official copy of the final high school transcript.

William Jewell College seeks candidates for admission who can demonstrate outstanding performance in core academic courses in English, math, science, and social sciences. Candidates for transfer admission who have completed fewer than 12 total credit hours from properly accredited institutions since finishing high school will be evaluated on performance in college-level coursework and performance in the core academic courses completed in high school. Official ACT results or official SAT results can be submitted for review for the purposes of admission and academic scholarship consideration. Eligibility for some academic majors requires the submission of a standardized test score. William Jewell's ACT code is 2394; SAT code is 6941.

Before beginning classes at William Jewell, transfer students must submit official copies of final transcripts from all post-secondary institutions at which they have been enrolled in courses or received financial aid, even if credit was not awarded. (If all such transcripts are found not to have been submitted, enrollment at William Jewell beyond one semester will not be permitted.)

Guidelines for Transfer of Credits: The following guidelines and policies apply to undergraduate transfer of credit to William Jewell College

- Credit will be considered for transfer to William Jewell College, and for potential use toward a degree from William Jewell College, only for courses that are consistent with the curriculum of the College and on which the student has earned grades of "C-" or higher.
- **Up to two hours of credit will be granted, and recorded as transfer credit of physical activities, upon the receipt of an official military transcript showing successful completion of basic military training. No other credit will be awarded on the basis of a military transcript or on the basis of experiential learning.**
- **A course for which only a "passing" or "satisfactory" grade is recorded by another institution is not normally considered for transfer, unless the corresponding class at William Jewell is also graded on a pass/fail basis for all students.**
- **The final determination concerning whether credit is transferable is made by the College Registrar, who may consult with department chairs. The student may provide additional materials (descriptions, syllabi, assignments, etc.) from courses whose transferability is questioned.**
- **A minimum of 45 semester hours, aside from any courses that are graded pass/fail, must be completed in residence at William Jewell, including at least 16 hours (with a grade of "C-" or better) in any major and at least 9 hours (with a grade of "C-" or better) in any minor, by any student who intends to earn a degree from the College.**
- **Transfer students with fewer than 26 transferable college credit hours that have been earned since finishing high school will be expected to complete William Jewell's Core Curriculum (<https://www.jewell.edu/learn/core-curriculum/>) in its entirety through William Jewell courses. Exceptions are made for 100-level C/CI courses**

William Jewell Emphasis Requirements

- A student is permitted to select a second area of emphasis, but a student is not allowed to have more than two areas of emphasis. Even if a student has expressed the intent to have a second area of emphasis, failure to complete a second area of emphasis will not prevent a student from finishing the business major or from being graduated.
- The COM course that is chosen within the emphasis in marketing cannot also be used as a part of a student's minor.
- MKT 230 Marketing is equivalent to MKT 205 that is required for the Marketing, Management, and Sports Management Emphasis.
- All other courses for William Jewell College Emphasis requirements must be taken at William Jewell.
