### Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

## Admission:

- Student must apply to the University of Arkansas, Office of Admissions for consideration and indicate their interest in the online program on the admissions application. Students are required to submit an application for admission, official transcripts, and a \$40 application fee.

In addition, on-campus students cannot enroll in online courses unless they have a cumulative GPA of at least 2.0 (after their first 15 hours of undergraduate coursework) and they have no more than one outstanding incomplete in a previous online course.
