Drury University

Johnson County Community College Transfer Program to the Drury University	Dr. Panos Leventis, Associate Dean of the Hammons School of Architecture
School of Architecture	417-873-7409
Architecture Program	pleventis@drury.edu
Academic Year 2024-2025	www.drury.edu/architecture

Program Description

The Architecture Program at JCCC has worked in cooperation with Drury University, within The Hammons School of Architecture, to develop a direct transfer curriculum that meets the goals of the university and our students for the first year of transfer into Architecture. Additional requirements such as GPA score, portfolio, admissions, interview, etc. may also be required for acceptance of the courses and admittance into the program. Visit Drury Architecture (<http://www.drury.edu/architecture>) for more information.

Admission Requirements

The Associate of Arts at JCCC satisfies the Drury Fusion curriculum with the exception of the Ethical Foundations requirement, and a required 12-credit themed certificate.

This transfer guide is based on current academic catalogs, and transfer details may change. To assure up-to-date guidance, please contact Dr. Panos Leventis (pleventis@drury.edu), Associate Dean of the Hammons School of Architecture.

Transfer students can apply (<https://www.drury.edu/admission/transfer-to-drury>) for admissions to Drury University online.

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate information about the program, you must meet with an advisor at the transfer institution.

Program Requirements

Drury Fusion General Education Courses:

Course Code	Course Title	Course Hours	Transfer Code	Transfer Title	Transfer Hours
Code	Title	Hours	Hours
