• Any student who withdrew from all classes during her/his first semester at KU and did not earn any grades must complete the transfer application.

Transfer Qualifications:

• To receive assured admission for the University of Kansas as a transfer student, you must have completed at least 24 transferable hours from an accredited institution with a minimum transferable cumulative GPA of 2.5 at the time of application.

• Transfer students will be evaluated for admission solely on college grades after completing 24 transferable hours of postsecondary work, not including courses in progress. Students with fewer than 24 transferable credit hours must meet the requirements for high school graduates and achieve a transferable college GPA of 2.5.

• For admission purposes, KU will calculate a GPA based on the transferable coursework completed following the issuing institutions repeat policy.

• Admission to the professional schools (Allied Health, Architecture & Design, Business, Education and Human Sciences, Engineering, Music, Journalism and Mass Communications, Nursing, Pharmacy, School of the Arts and Social Welfare) is selective. Visit the individual transfer sheets or KU catalog for requirements.

ACT/SAT Scores:
• KU does not require ACT or SAT scores for general admission but encourages the submission of scores. They do not negatively impact admission decisions. Test scores may be used for placement into Math and English courses.

Transcript Evaluations:
• Transfer students who have been admitted to KU will have credit evaluated from official transcripts. Transfer course equivalencies can be viewed on CredTran (https://credittransfer.ku.edu/), the KU Transfer Equivalency System and through the student's myKU portal.
