Program Description

****The Animation degree is a 4-year program from the start of the Foundation studios. Students that transfer with the Foundation studios completed should expect 3 more years to complete their degree at KU. Students that do not have the Foundations year completed at the time of transfer should expect 4 years to complete their degree at KU. All studios are on a Fall/Spring sequence and cannot be taken out of sequence.****

The Associate of Arts, AA (<https://catalog.jccc.edu/degree/requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.
