Program Description

The Associate of Arts, AA (<https://catalog.jccc.edu/degree requirements/associate-arts/>) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the AA may select courses that satisfy both the AA degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the AA allow students to complete additional general education and lower division courses required for specific majors. The AA degree requires completion of 60 credit hours. Meeting with a JCCC counselor (<https://www.jccc.edu/student-resources/counseling/academic-counseling/>) is strongly recommended for selection of appropriate courses.

Admission Requirements

- The College of Liberal Arts and Sciences: KU's largest academic unit with 50 departments and programs. The minimum number of hours for an undergraduate degree is 120.
- A maximum of 75 hours may be transferred to KU from community colleges. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree; 30 of those hours must be at KU; and community college courses do not transfer as junior/senior hours.
- Credit/No Credit option is not available for any course that may satisfy major or minor requirements.
- Transfer Grades of "D": Not accepted toward any degree in the College of Liberal Arts and Sciences: BA, BGS, or BS.
- Students transferring to KU, that complete the General Education requirements required for the Associate of Arts (AA) (<https://catalog.jccc.edu/degree requirements/associate-arts/>), Associate of Fine Arts (AFA) (<https://catalog.jccc.edu/degree requirements/associate-fine-arts/>) or Associate of Science (AS) (<https://catalog.jccc.edu/degree requirements/associate-science/>) degree from JCCC will be considered to have satisfied KU's Core 34 general education curriculum.
- Students who transfer to KU, without completing the General Education requirements required for the Associate of Arts (AA) (<https://catalog.jccc.edu/degree requirements/associate-arts/>), Associate of Fine Arts (AFA) (<https://catalog.jccc.edu/degree requirements/associate-fine-arts/>) or Associate of Science (AS) (<https://catalog.jccc.edu/degree requirements/associate-science/>) degree will have courses evaluated on a course-by-course basis toward meeting KU requirements. To learn more about courses that satisfy KU Core 34 Requirements (<https://catalog.ku.edu/core34/>) and KU CredTran (<https://creditransfer.ku.edu/>).
- Visit the KU Core 34 General Education guide (<https://nam12.safelinks.protection.outlook.com/?url=http%3A%2F%2Fnextcatalog.jccc.edu%2Ftransfer-guides%2Fku%2Fku-general-education&data=05%7C02%7Cskhalif2%40jccc.edu%7C506a4b607ca34eaa00fb08de158ef1c2%7C15244239dcf245e7aefd127b69fc5438%7C1%7C0%7C638971900858599422%7CUnknown%7CTWFPbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiwlJlAuMDAwMCIslIAiOiJXaW4zMlslIkFOljoITWFPbCIsIlldUljoyfQ%3D%3D%7C0%7C%7C%7C&sdata=b2O9VaVq9VFjN8MJkWQ4YCl60oq5GZXnn69Vpa2sSL0%3D&reserved=0>) for JCCC equivalents.

The courses listed below are **REQUIRED** for degrees from the College of Liberal Arts and Sciences. These courses **MAY** be taken to complete the **KU Core 34**, but if they are not, this additional coursework is necessary to complete degree requirements. Also, students must satisfy the major requirements of the degree they are pursuing (listed below).

For both the Bachelor of Arts (BA) and Bachelor of General Studies (BGS) degrees, the major requirements are the same. The primary difference lies in the degree-level requirements: BA students are required to complete four semesters of a non-English language, while BGS students must complete a second area of study. Students interested in majoring in a specific major can choose between the BA or BGS based on their preference for language study or pursuing a secondary area of academic focus. Many majors in the College also offer Bachelor of Science (BS) degrees which often include more math, science, lab, and research-based courses.

BA (Bachelor of Arts) requires: Completion of the requirements of a single BA major AND proficiency in a Non-English Language and 3 credit hours of Quantitative Literacy. (1 credit hour of a Laboratory of Field Experience, and 6 credit hours of Writing are required for all BA students. These requirements will be met through the completion of the KU Core 34.)

BGS (Bachelor of General Studies) requires: Completion of the requirements of a single BGS major AND a secondary field of academic study (a minor, a second degree, or two certificates).

(BA only) Quantitative Reasoning (3 hours) A single course cannot count for both the BA Quantitative Reasoning requirement and the KU Core 34 Math and Statistics requirement.
