

University of Maryland Global Campus

University of Maryland Global Campus (UMGC) was founded more than 75 years ago specifically to serve the higher education needs of working adults and servicemembers just like you. We offer a truly online learning experience and we've replaced textbooks with no-cost digital course materials for most courses to allow you to study from anywhere in the world and to help keep your education costs down. UMGC students can choose from more than 135 undergraduate and graduate degrees and certificates that are focused on skills-based learning to prepare you for careers in business, cybersecurity, data analytics, IT, healthcare, management and more.
