Program Description

In the 2024-25 academic year, The Kansas Board of Regents (KBOR) approved the Systemwide General Education Framework. It is comprised of 34-35 credit hours organized in six discipline-based "buckets" and an institutionally designed bucket. A student who satisfies all seven buckets will complete the systemwide GE program.

Admission Requirement

Please note this framework applies to the completion of General Education requirements required for the **Associate of Arts (AA)**, **Associate of Fine Arts (AFA)** and **Associate of Science (AS)** degrees only. Students that have not completed the General Education requirements for the AA, AFA, or AS, will have coursework reviewed on a course-by-course basis.

The **Associate of Applied Science (AAS)** degree and the **Associate of General Studies (AGS)** degree do not apply to the KBOR Systemwide General Education Framework. Please see your JCCC Counselor if you are pursuing the AAS or AGS degree.
