Program Description

- The systemwide transfer degree provides a pathway from any Kansas public community college offering the degree to any Kansas public university for individuals desiring to become licensed as a PK6 elementary teacher. The pathway identifies courses/credit hours to be taken at the community college level and reflect the Kansas Board of Regents (KBOR) General Education framework (https://www.kansasregents.org/academic_affairs/general-education/seven-bucket-framework) "buckets" and recommended education coursework.
- JCCC offers an Associate of Arts in Elementary Education (<https://catalog.jccc.edu/degrecertificates/education/elementary-education-aa/>) degree.
- These courses/credit hours transfer to any KBOR university as the first sixty hours toward a 120-hour PK-6 Elementary Education program degree. The remaining sixty hours at KBOR universities are the required courses to complete the PK-6 Elementary Education degree.

JCCC Transfer Guide Disclaimer

*It is the **student's responsibility** to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate information about the program, you must meet with an advisor at the transfer institution.*
